Dear Friend of North Hawai'i Community Hospital,

North Hawai'i Community Hospital (NHCH) is delighted to announce the launch of its Emergency Room (ER) Renovation and Expansion Project. You are invited to attend an informational meeting to hear about the project and the future of health care in our community.

NHCH's ER is a critical and fundamental medical service in the delivery of emergency care in the North Hawai'i region, with an essential linkage and continuity in the delivery of ER and Trauma Services of The Queen's Medical Center in Honolulu.

If you're unable to attend, but wish to learn more about the project, please visit [www.NHCH.com](http://www.NHCH.com).

To confirm your attendance, please email Julia Ramos at [jramos2@queens.org](mailto:jramos2@queens.org) or contact her at (808)881-4420.
