

Partners with Nohea at Mauna Lani

Achieve new heights in authenticity, beauty, and quality with Inspire® by Boral® Roofing Products. Transcending other brands, Inspire® slate and shake products provide the industry’s finest artistry through natural textures and unique color pal-ettes that will Enhance your home. Authentic textures and hues, crisp edges, and defined detail bring sublime beauty to every Inspire home. Crafted using molds cast from the finest natural materials; Inspire® delivers the rich and stunning aesthetics of authentic hand-cut slate or the warmth of genuine hand-split cedar shakes, without the weight or cost.

- Lightweight
- Low Maintenance
- Class 4 Hail Rated

Nohea offers owners a unique opportunity to purchase their dream home within the award winning Mauna Lani Resort. Nohea’s Luxury resort homes offer modern floor plans and features including “pod style” living and bedroom spaces with plenty of privacy and views to the inner courtyards filled with lush landscape and water features for great sights and sounds of the outdoors. Some home sites offer owners views to the Mauna Lani golf course fairways and the majestic Mauna Kea - all cooled by pacific breezes and lulled by sounds of the ocean not far away.
